Additional Trust Lands Available For Assignment Requests

The existing inventory of Penobscot Trust Lands has been increased. Portions of Lakeville, Grindstone (T1 R6), Lower Mattamiscontis (T2 R8), and Argyle* are now in trust status.

An application for a camplot or homestead assignment, along with a current copy of the tribal government's land use laws can be obtained at the Department of Trust Responsibilities, located in Room 213, of the Nicholas Sapiel Jr. Building, or by calling Sparky Clark at (207)-817-7379. Sparky also can be contacted by email at sparky@penobscotnation.org. Department hours are from 8:00 a.m. – 4:30 p.m., Monday through Friday. Please note that some restrictions such as environmental, cultural, or others may apply to assignment requests in these parcels.

Maps showing the location of these new lands are available in the department and in the south wing of the Nicolas Sapiel Jr. Building, outside the Department of Natural Resources office. Maps also can be viewed on the tribal government's website located at penobscotnation.org.

***Note: A portion of the Argyle parcel is under consideration for a housing project therefore is currently not available for random camplot or homestead assignments.**
