

PENOBSCOT NATION  
BOYS AND GIRLS CLUB

# *Cultural*

*“the positive place for kids”*

Forming the nucleus of our curriculum is our Cultural Program. Core cultural spiritual activities have never been separable from everyday routines in the tradition of the Penobscot people. The cultural program aims to help youth build a sense of self-identity; to help youth reconnect with the many traditions and values that make up the Penobscot culture. Activities range from traditional basket making to sweet-grass picking, drumming & dancing and language classes.
