Videographer for Youth-Directed Substance Abuse Prevention PSA Needed

The Penobscot Nation received a small grant to produce a youth-focused substance abuse prevention video. The Wabanaki Youth Council have developed a concept for a public service announcement (PSA) (or maybe a short film depending on their vision and story board). They may want to enter it into the All American High School Film Festival. We are looking for a reasonably priced, professional videographer and editor to work with the Youth Council on this project. Expressions of interest and links to videos produced can be directed to Jill Tompkins, Director, Tribal Court at jill.tompkins@penobscotnation.org.
The After School Program at Indian Island School is in search of reliable people to staff our program. Must be available 7-8 am and 2:45-4:30 in the afternoons with the exception of 1:15-4:30 on Tuesdays. Drug Testing and Criminal History Record Check (CHRC) Certification is required.

Please call or stop by Indian Island School for an application.

Call or email Charlene Huerth with any questions; 827-4285 or Charlene.huerth@indian-island.mie.k12.me.us

SNOW REMOVAL REMINDER

Dear Postal Customer:

This is to remind you that postal regulations regarding delivery of mail to rural / curbside boxes require customers to keep the approach to their mailbox cleared of snow, vehicles and other objects. This will permit the rural carrier to drive up to your mailbox to deposit and collect mail. The approach to and exit from the mailbox should be cleared sufficiently on both sides to allow the carrier to drive ahead and not be required to back the vehicle after delivery.

Help your carrier provide uninterrupted service. If you have any questions please contact us.

Your Postmaster

Approaches to Curbside Mailboxes

Dear Customer,
The Postal Service depends on you to meet postal requirements regarding delivery and collection of mail to curbside boxes. Please keep the full approach and exits to your mailbox clear, as illustrated in the examples below. Removing trash cans, snow, vehicles, and any other objects from the area allows the carrier to deliver your mail safely and efficiently without exiting the vehicle. Your cooperation in this matter is sincerely appreciated. If you have any questions, please contact us. Thank you. Your Postmaster

Example: Snow Removal

Example: Obstructions (trash cans, vehicles, etc.)
