7345-Carlene Miller, Lrn. Ctr.
The current outbreak of 2019 novel coronavirus (2019-nCoV) was first identified in China but has now spread internationally, impacting an increasing number of countries. Sustained community spread is occurring in China. Limited person-to-person spread, most associated with close contact with a patient with confirmed 2019-nCoV, has been seen outside of China. No community spread of 2019-nCoV has been identified in the United States at this time.

In the coming days and weeks, we expect more confirmed cases in the United States, including some person-to-person spread. The goal of CDC’s aggressive ongoing public health response is to prevent spread of 2019-nCoV in the United States.

### What you should do

- **STAY INFORMED** – CDC is updating its website daily with the latest information and advice for the public. ([www.cdc.gov/nCoV](http://www.cdc.gov/nCoV))

- **REMEMBER TO TAKE EVERYDAY PREVENTIVE ACTIONS** that are always recommended to prevent the spread of respiratory viruses.
  - Avoid close contact with sick people.
  - While sick, limit contact with others as much as possible.
  - Stay home if you are sick.
  - Cover your nose and mouth when you cough or sneeze. Avoid touching your eyes, nose and mouth with unwashed hands; germs spread this way.
  - Clean and disinfect surfaces and objects that may be contaminated with germs.
  - Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand rub with at least 60% alcohol.

- **IF YOU FEEL SICK** with fever, cough, or difficulty breathing, and have traveled to China or were in close contact with someone with 2019-nCoV in the 14 days before you began to feel sick, seek medical care. Before you go to a doctor’s office or emergency room, call ahead and tell them about your recent travel and your symptoms.

### What you should not do

- **DO NOT** travel to China.

- **DO NOT** use facemasks. CDC does not recommend the use of facemasks for the general U.S. public to prevent the spread of 2019-nCoV.

- **DO NOT** show prejudice to people of Asian descent, because of fear of this new virus. Do not assume that someone of Asian descent is more likely to have 2019-nCoV.

All persons in the U.S.—including those of Asian descent—who have not traveled to China or been in contact with someone with a confirmed or suspected nCoV case in the last 14 days are at low risk of becoming sick.

For more information: [www.cdc.gov/nCoV](http://www.cdc.gov/nCoV)
2019 Novel Coronavirus (2019-nCoV) is a respiratory illness. It is caused by a coronavirus.

2019-nCoV cases are very rare in the United States and occur in people returning from Wuhan, China.

Common Signs and Symptoms

- Fever
- Cough
- Shortness of Breath and Trouble Breathing

Severe disease can cause pneumonia, kidney failure, and death.

If you have symptoms and traveled to Wuhan or had contact with an infected person, call your healthcare provider. Tell them your travel history and if you were around someone ill with 2019-nCoV.
Spread of 2019-nCoV

- The exact way the virus spread to people is not known. Early on in the outbreak, many patients had a link to a large seafood and animal market. This suggests animal-to-person spread.
- Limited person-to-person spread is occurring. It is not yet known how easily this virus spreads between people.

Prevention of 2019-nCoV for Travelers

- Avoid contact with sick people.
- Avoid animals (alive or dead) and animal products. This includes uncooked meat.
- Wash your hands with soap and water.

Wash your hands for at least 20 seconds. Use an alcohol-based hand sanitizer if soap and water are not available. If you traveled to Wuhan and have the above symptoms, you should call your healthcare provider.

For More Information, Visit:

1. www.maine.gov/dhhs/coronavirus
3. www.who.int/health-topics/coronavirus
4. wwwnc.cdc.gov/travel (U.S. CDC's Travelers' Health Page)

You can also call Maine CDC at 1-800-821-5821.
MUD SEASON GATES
As of
March 2, 2020

It’s that time of year again; we will be closing mud-season gates over the next several weeks. We expect to have all the gates open prior to Memorial Day.

Alder Stream
• North Road Gate – Closed
• South Road Gate – Closed

Mattamiscontis & T2R8 (South Branch Lake Area) –
• The IP Gate at the Lincoln exit – Open
• Chain at the Railroad Track – Open
• Gate at the end of Seboeis Road – Open

Matagamon The Boy Scout Road Gate - Closed

T1R6 (Grindstone) – Gate on Route 11 – Open

Carrabassett Valley
• Both gates on the Carriage Road – Open
• Huston Brook Gate – Open
• Poplar Mtn Road – Open

Williamsburg (KI Tract ) – Open

We update this information on the Natural Resources Web page under announcements https://www.penobscotnation.org/departments/natural-resources/dnr-announcements
Continuing by community request, these informal gatherings provide an opportunity to dialogue directly with healthcare professionals. Come discuss your questions, comments, and concerns in an open and engaging environment. Food/refreshments provided.
