SEPTEMBER 22
AUTUMN EQUINOX
COMMUNITY, FAMILY, AND FRIENDS RECOVERY SUPPORT EVENT

The Autumn Equinox reminds us to bring balance into our lives and to take ownership of the direction we are heading in. It is a time of harvest, whether that be a "real" harvest of the things planted in your garden or the harvest of efforts and intentions for your life that you set earlier in the year.

Please join the Nolowesi (MAT) Recovery Team for an evening of culture and celebration for family, friends, and those in recovery. This will be held via Zoom due to social distancing requirements. Please reach out to the Health Department with any technical assistance questions regarding access.
