What you can expect from the ROSS Program:

The purpose of this program is to help you reach your self sufficiency goals. We do not provide the services but assist you in gaining access to the service providers. The ROSS (Resident Opportunity and Self Sufficiency) program offers a wide set of assistance with service coordination. Some examples include but are not limited to; credit repair, employment , education, child care referrals, and life skills development. This program will best serve those who are **highly motivated** and genuinely interested in improving their current situation.
