Greetings Penobscot Elders!

We are nearing the completion of our 3-year grant for Elders services with the Administration on Aging (AoA). During this final period, we will be administering questionnaires to be evaluated by the National Resource Center on Native American Aging (NRCNAA) at the University of North Dakota (UND). Our objective is to complete as many questionnaires as possible to ensure the collection of accurate data regarding our Penobscot elders. This data will be instrumental in strengthening grant proposals, advocating for elderly resources, documenting disparities, and determining the most suitable long-term care services for our community. We kindly request your participation in this initiative. We can conduct a home visit or administer the questionnaire over the phone, whichever is more convenient for you. If you would like to reach out to us directly, please do not hesitate to contact us at the following numbers:

Adam Martell 631-4238, Kristina Small 881-3226, or Reese Chavaree-Hildreth 817-7491.

Thank you,
Reese
